PRESENTATION OF
DONATION TO AMHERST COLLEGE
in name of
ADMIRAL STANSFIELD TURNER

In lieu of an honorarium, the Forging Industry Association is presenting \$500 to Amherst College in your name. I have confirmed the propriety of this with OGC.

I recommend that you extend thanks to Andrew Sides, however, I do not recommend that you acknowledge this in your remarks on Monday unless Andrew Sides (or some other FIA official) announces it first.
